Login to Your Voice Message Service

Enter the following web address into your PC's web browser.

apmax.kingdomtelco.com/Voicemail/

A screenshot of a web browser window displaying the ManageMyVmail login page. The browser's address bar shows the URL 'mail/#/main/aci'. The page features a dark header with the 'ManageMyVmail' logo. Below the header, a white box contains the text 'Please enter your username and password to login to your ManageMyVmail account.' followed by two input fields: 'Enter Username' and 'Password'. A blue 'Sign In' button is positioned below the password field. At the bottom of the page, there is a dark footer with a gear icon and the text 'Account'.

Enter your unique Username and Password to Sign In to your ManageMyVmail account. If you did not receive your Sign In information please contact our office at 573-386-2241.

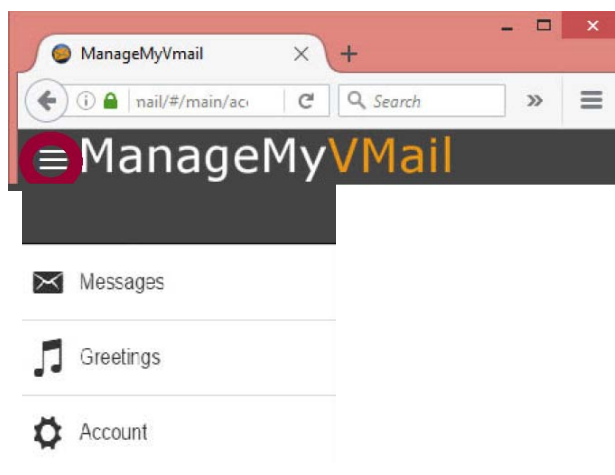

PIN Number

When you Sign In you will be prompted for a PIN Number.

The first time you Sign In you should use the default PIN of 0000. Click on the Menu icon circled in Red and click on Account and select Change PIN if you would like to change your PIN.

Main Menu

Click on the Menu Icon circled in Red and select one of the three options that you wish to manage in your ManageMyVMail service.

Messages -Displays new and saved messages.

Greetings -Displays greetings callers will hear and allows you to change your Active Greeting that callers will hear.

Account -Allows you to change your Password, PIN and to log out of your account.

Messages

Calls that resulted in a new Voice Mail message will have a Blue Envelope icon . If the Voice Mail message left by a call has been previously marked as read, it will be displayed with a Black envelope icon. Clicking on a specific message allows you to listen to the message by clicking the Play button. Clicking on the Blue Envelope icon will allow you to mark a message as Read or Unread. Click on Delete to remove the message from your service. Click Done when you have finished .

Greetings

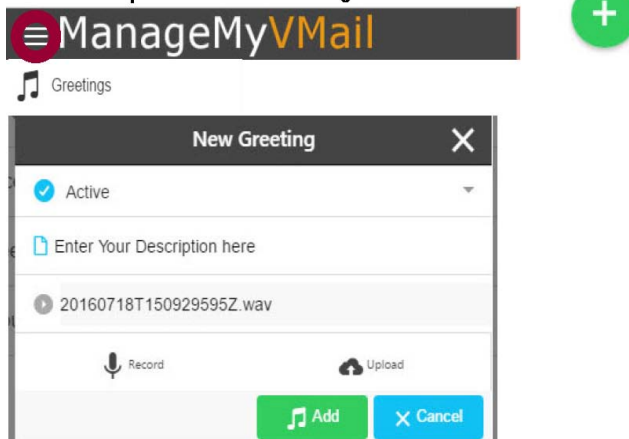

You can add multiple greetings to your service by recording them with a built in computer microphone or by uploading an audio file from your computer. You can also change your active greeting from your greeting list.

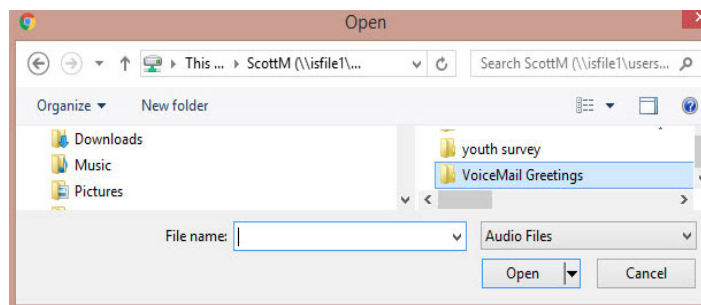

Recording a New Greeting

From the Main Menu choose Greetings and click on the Green

+ icon to open the New Greeting box.

If you do not want this to be your Active greeting, click the drop down menu and select Default to keep your current greeting Active. After entering a description for your greeting, click on Record * to record your greeting using your computer microphone.

Choose Upload to retrieve a file from your computer to use as your greeting. Once you have finished recording or adding your new greeting click on the Add button.

**If your Web Browser does not display the Record option, try a different browser.*

Managing Your Greetings

Click on the Greeting that you want to manage. Here you can listen to the Greeting through your computer speakers by clicking on the Play button. Click on the Blue Note icon to further manage your Greeting.

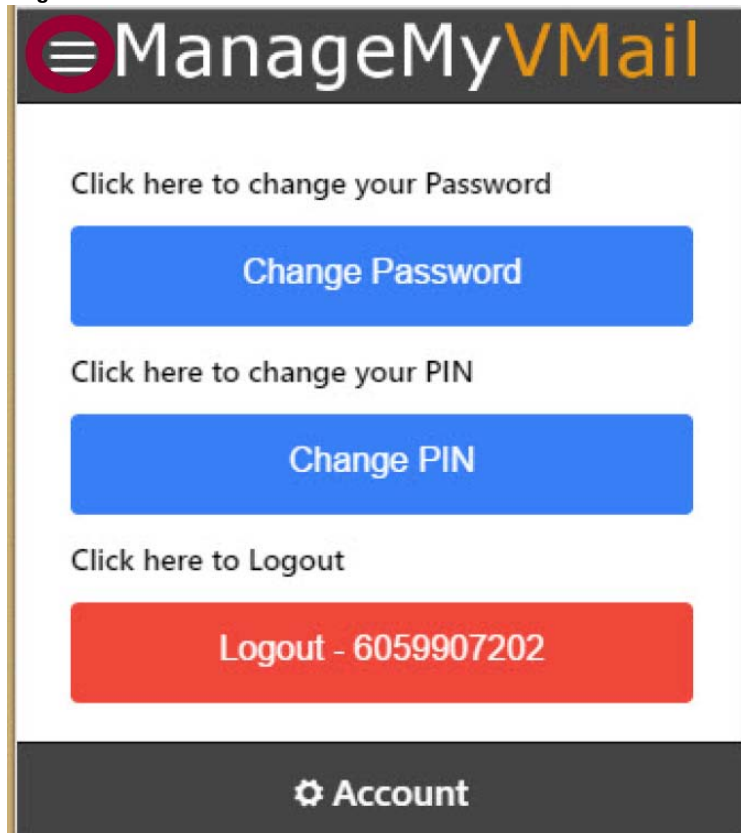

Make Active will cause this greeting to be the one callers will hear. Use **Update** to change the selected Greeting Description. Remove the greeting from your account by clicking on **Delete**. Click **Done** when you are finished making your changes.
