CALLING PARTY IDENTITY

See who is calling before you answer the phone.
Monthly Charge: \$4.00

How it works:

When you receive a call, the name and number of the person calling you is shown on your Caller ID display screen.

How to use:

- When you receive a call, wait until your telephone completes the first ringing signal. The telephone number calling you – and the name associated with that number – will automatically appear on your display screen. If you choose to answer the call, the name and number will remain on the screen until you or the caller hangs up.

Notes:

- Subscription to Calling Party Identity requires the purchase of a display telephone or an add-on display unit.
- If the letter “P” or “Private” appears on your screen, the caller may have blocked the display of their number by pressing *67 (or dialing 1167 on a rotary phone) before placing the call. You can choose whether or not to answer the call.
- If “unknown name,” “unknown number,” “out of area,” or “O” appears, the caller is in an area that does not support Calling Number Services.

No Charge

How it works:

The telephone number calling you – and the name associated with that number – will automatically appear on your display screen. Simply press and quickly release the "switchhook" on your telephone. Your first caller is automatically placed on hold, while you're connected with the second caller.

If you choose not to answer the incoming call:

- You'll hear a special tone to remind you of the waiting call.

SELECTIVE CALL FORWARDING

Decide which callers should follow you to another number.

Monthly Charge: \$2.00

How it works:

You can program your phone to forward only those calls from a special list of numbers to another number – such as your car phone. When your service is turned “on,” calls from numbers in your forward list will be re-routed to your “forward to” number. All others will ring at your phone as usual.

How to use:

- Lift the handset and listen for the dial tone.
- **Press *63.** (On a rotary phone dial 1163.)
- Listen for an announcement telling you whether the feature is currently stored in your forward list.
- Follow the voice instructions and **dial 3** to turn the feature ON (if it is currently off), or turn the feature OFF (if it is currently on).

To add the last caller to your forward list:

- **Press #01#.** (On a rotary phone, dial 1201.)

To enter your “forward to” number:

- The first time you turn on the service, you’ll be asked to enter the number you’d like your special calls forwarded to. From then on, the system will simply remind you of the current “forward-to” number.
- If the current number is correct, **dial 1.**
- If you wish to change the current “forward to” number, dial 0 and then follow the voice instructions.

To hear the phone numbers on your list:

- **Dial 1.**
- After the list is read, voice instructions will follow.

To add a number to your list:

- **Press #.** (On a rotary phone, dial 12.)

- Follow the voice instructions you’ll hear. You can store up to 31 phone numbers on your forward list.

To remove a number from your list:

- **Press *.** (On a rotary phone, dial 11.)
- Follow the voice instructions to remove any or all of those numbers from your forward list.

To hear instructions again:

- **Dial 0.**

How to use:

- Lift the handset and listen for the dial tone.
- **Press *67.** (On rotary phone, dial 1167.)
- Dial the number you're calling as usual.
- The person you've called will not be able to see your name and number displayed on their telephone display screen. Instead, a "P" or "Private" will be displayed.

Notes:

- You must **dial *67** before each call you place. Otherwise, your phone number will be released to the person receiving your call.
- All "unpublished" or "unlisted" numbers will be made available to the public unless per call blocking is used.

WHAT IS VOICE MAIL?

Voice Mail is a voice answering system which is simple to use and allows your callers an easy and reliable way to leave messages for you when you're busy, away from the phone, or don't want to be bothered.

- 2-minute greeting
- Storage for up to 50 messages
- New messages are saved for 30 days
- Saved messages are retained for 61 days
- 2-minute messages allowed
- Password protection

DO I NEED ANY SPECIAL EQUIPMENT TO USE VOICE MAIL?

A push-button phone is all you need. There's no other expensive equipment to break, wear out, or become obsolete.

WHEN DOES VOICE MAIL ANSWER MY CALLS?

Voice Mail will answer with your personalized greeting if you do not answer after a designated number of rings (2-9) or if your line is busy. This is done by activating "Call Forward No Answer" and/or "Call Forward Busy" (must be purchased separately).

WHAT KIND OF GREETING WILL MY CALLERS GET?

You can record a personalized greeting or use the standard greeting supplied with Voice Mail. And, since the system automatically gives you the time and date of the call, you won't need to ask callers to leave this information. Frequent callers who don't need to hear your greeting each time can easily skip the greeting and go directly to recording a message.

OTHER VOICE MAIL OPTIONS INCLUDE:

- **Pager or Phone notification** – Great for people on the go. A reminder page or telephone call alerts you when you have a new message left in your mailbox.
- **E-mail notification** – Allows you not only to store your messages in your voice mailbox, but it also converts the Voice Message into an e-mail. You can listen to or forward your messages, save or delete them from your voice mailbox. We also have text notification.
- **Sub-Mailboxes** – Each user on a telephone line can have their own voice mailbox. PIN access ensures privacy. Great for roommates, family members and people who work out of their home.
- **Auto-Login** – Allows you quick access to your mailbox when you are calling from the voice mail phone. You get immediate access to your voice mailbox without being asked to enter a User ID or Password. Ideal for those who are not concerned with the security features and want quicker access to their voice mailbox. Can be turned on/off as desired.
- **Stutter Dial Tone** – Lets you know when you pick up your receiver that you have a message. If your phone has a message indicator light, it will flash to let you know you have a message.

Upgrade to Voice Mail Gold for an additional \$1 and have your messages e-mailed, texted and forwarded* to a cell or other number. You'll have the convenience of always getting your messages.

*CFD – Call Forward No Answer is required for this service.

Area Code Map

YOUR LOCAL AREA CODE

Your local area code is 573. Dial the area code on all long distance calls, even when it is the same as your own. The map to the right shows the area code boundaries for the state of Missouri.

LATA BOUNDARIES

The map to the right shows Local Access Transport Area (LATA) boundaries for the state of Missouri.

LONG DISTANCE SERVICE PROVIDERS

In addition to area codes, all states are divided into one or more geographic regions called LATAs (Local Access and Transport Areas). A toll call from one point to another within a LATA is called an intraLATA or short distance toll call. A toll call to a point outside a LATA is called an interLATA or long distance toll call.

"Equal Access" now allows you to choose the company you want to handle your long and short distance toll calls. You can choose one company to handle both types of calls or a different company to handle each. Once you have notified your local service provider of your choice, all of your toll calls will be handled automatically by the company you chose whenever you dial "1" + (Area Code) + number to make the call.

REPAIR OF YOUR TELEPHONE/WIRING

If you need repairs of the wiring, jacks or telephones in your home or business, you will be billed \$30.00 for a trip charge and \$23.75 for each quarter hour of work performed by our technician. Any required materials will also be billed to you. You may elect to contract with a party other than the telephone company for needed repairs or perform the repairs yourself. If repairs done by persons other than the telephone company cause service outages, you will be billed for a trip charge to clear the line.

SERVICE ASSURANCE PROGRAM

The Service Assurance program covers repair of industry standard inside wire and jacks for \$2.95 per month. If your telephone cannot be repaired, you may request a "loaner" telephone to use for 30 days, allowing you time to purchase a new phone. After you purchase a new phone, you can return the "loaner" telephone to us by mail or bring it to our office. If you decide to keep the "loaner" telephone, do nothing and we will bill you for the cost of the instrument. The telephone will then be your property. We will also make minor repairs to your telephone, billing you only parts and labor and waiving the \$30 trip charge. If you have more than one line, you must subscribe to this service for each one to insure complete coverage.

CUSTOMERS WITH DISABILITIES

Kingdom Telephone Company works with its customers who are hearing, vision, or speech impaired, or have mobility or cognitive impairments, or other disabilities, to ensure that their individual telecommunications needs are met. First, we will identify what special need an individual customer has so that we can help design a telecommunication solution for that person. Lifeline For Low Income Consumers

KINGDOM
— telephone company —

FEDERAL AND STATE OF MISSOURI LIFELINE PROGRAM FOR LOW-IN- COME OR DISABLED CUSTOMERS

What kind of assistance can I receive?

Consumers meeting certain eligibility criteria are able to receive monthly discounts for telecommunications service through the Federal and State Lifeline Program or the State Disabled Program for up to \$24.00 per month. Lifeline service offers a monthly discount of \$24.00 for a subscriber with voice-only service or voice service bundled with broadband service. Also, there is a federal lifeline discount of \$9.25 available for a qualifying standalone broadband; a broadband speed of 25 Mbps (down) and 3 Mbps (up) or higher. The State Disabled Program offers a discount of \$24.00 per month for voice service.

How do I qualify?

To qualify for Low-Income Lifeline in Missouri, a consumer or dependent must either have an income that is at or below 135% of the federal Poverty Guidelines or participate in one of the following programs: Medicaid; Supplemental Nutrition Assistance; Supplemental Security Income; Federal Public Housing Assistance; or Veterans Pension and Survivors Benefit Program.

To qualify for Disabled Lifeline in Missouri, a consumer or dependent must participate in one of the following programs: Federal Social Security Disability Benefits; State Supplemental Disability

Assistance; Veterans Administration Disability Benefits; State Blind Pension; or State Aid to Blind Persons.

What services qualify for assistance?

Qualifying consumers will receive this assistance on the following services: voice grade access to the public switched network; single-party service; access to emergency services; access to operator services; access to inter-exchange service; access to directory assistance; bundled service plans combining voice and broadband or packages including optional calling features; and voluntary total toll blocking, which prevents the placement of any long distance calls.

Carriers, like Kingdom, providing Lifeline may not collect a service deposit in order to initiate Lifeline services if the qualifying low-income or disabled consumer voluntarily elects toll blocking.

What else do I need to know?

The FCC will also require that all current Lifeline recipients be "re-certified" annually. Consumers who willfully make false statements in order to obtain program benefits can be punished with a fine or imprisonment or barred from the program.

RIGHTS AND RESPONSIBILITIES OF KINGDOM TELEPHONE COMPANY AND OUR CUSTOMERS

KINGDOM TELEPHONE COMPANY BUSINESS & REPAIR OFFICE

The business office (573-386-2241) is open from 8:00 a.m. to 4:30 p.m. Monday through Friday for handling inquiries by phone or personal visit. Repair service (573-386-2237) is open from 8:00 a.m. until 4:30 p.m. Monday through Friday. Our answering service is available at all other times of the day if you would like to leave a message or if you need emergency repair services.

BILLS AND PAYMENTS

Bills are rendered on the first (1st) day of each month. Bills are payable when rendered and become delinquent 21 days later. On the 22nd a \$5.00 late payment fee will be applied to the account and a second notice advising of the delinquency of an unpaid account will be mailed. This second notice will indicate the date that **"service deniable"** charges must be paid or those services will be discontinued. Rules established by the Missouri Public Service Commission require ten (10) additional days from the 21st for **"service deniable"** charges to be paid. Partial payments received will first be applied to service deniable charges. In the case of a medical emergency, a customer may request an additional twenty-one (21) days extension to pay delinquent charges if that extension is requested before the service is disconnected. Proof of a medical emergency may be required to receive the extra 21 days.

"Service deniable" charges are noted on each monthly telephone bill. They are the basic components of service and applicable taxes that are required to provide a customer with basic dial tone service. **"Service deniable"** charges must be paid as indicated above or your basic dial tone service will be disconnected. Should service be denied for non-payment of service deniable charges, a \$15 reconnect fee and possibly a deposit will be required to have basic dial tone service reactivated. Also see rules on deposits on page 27.

There may be other charges included on the telephone bill that are considered service non-deniable charges like long distance service, Internet fees, or other deregulations charges.

Non-payment of these charges will not result in the loss of basic dial tone service but will cause these extra charges to be terminated according to the policy of the provider of those services. Non-payment of toll charges may result in blocking of toll service.

Kingdom Telephone Company provides several options of bill payments. Payments may be made by mail or at the office during normal business hours. Should payment in person be preferable, a drive-up window is available that also provides for payment after hours by a night drop slot.

Kingdom also provides for payments via automatic bank deductions. This method of payment requires the completion of a form providing Kingdom with the approval to begin deducting the monthly bill from the customer's account.

View and pay online with fast, easy and secure eStatement. Sign up for eStatement on our website at <https://estatement.kingdomtelco.com> or click on the link found on the Kingdom homepage at <http://kingdomtelco.com>. You must have your phone/billing number and the account number shown on your current bill to establish access to your online eStatement bill.

Kingdom reserves the right to require payment by cash or money order if during the preceding twelve month period a personal check was received that was deemed to be without sufficient funds in the bank. A charge of \$10.00 is applied to any account that has a check returned due to insufficient funds.

Customer Rights & Responsibilities

DEPOSITS AND GUARANTEES

Kingdom may require a deposit or guarantee prior to providing new service or as a condition of continued service. The company may require a deposit or guarantee as a condition of continued service if a customer has delinquent charges in two out of the last twelve billing periods or has had a service disconnected for non-payment of a delinquent charge or failed to post a required deposit or guarantee.

In lieu of a deposit, Kingdom may accept a written guarantee. The guarantee will not exceed the amount of a cash deposit that the company could request. No deposit or guarantee will be required because of race, sex, creed, national origin, marital status, age, number of dependents, source of income, disability or geographical area of a customer.

A deposit will not exceed the estimated charges for two months of service based on the average bill during the preceding twelve months or, in the case of new applicants for service, the average monthly bill for new subscribers within their customer service class.

Upon discontinuance or termination of service, the deposit will be credited to the charges stated on the final bill and any balance will be returned to the customer. The deposit or guarantors will also be returned or released upon satisfactory payment of all undisputed charges during the last twelve billing periods.

INQUIRY PROCEDURES

Kingdom's customer service staff is available during normal business hours to answer inquiries about establishing/disconnecting services, questions on monthly bills or deposits, changing inter-exchange carriers or any other issues related to the telecommunications provided by the company. Customer service staff members may be reached by calling 573-386-2241. Calls after business hours are answered by an answering service and messages left with that service will be returned by the customer service staff promptly the following business day.

AVOIDING DISCONTINUANCE OF SERVICE DURING AN ABSENCE

In the case of a medical emergency, a customer may request an additional twenty-one (21) day extension to pay delinquent charges if the extension is requested before the service is disconnected. Proof of a medical emergency may be required to receive the extra 21 days.

For other legitimate absences, Kingdom's customer service staff will make arrangements with credit worthy customers to extend a payment deadline to meet the customer's needs for a payment extension.

COMPLAINT PROCEDURES

Any person who feels aggrieved by a violation of any statute, rule, order or decision within the Missouri Public Service Commission's (PSC) jurisdiction may file a complaint. The aggrieved party, or complainant, has the option to file either an informal or formal complaint.

To file an **informal complaint**, the complainant shall state, either in writing, by telephone (consumers services hotline 1-800-392-4211, or TDD hotline 1-800-829-7541), or in person at the PSC offices the following:

- a. The name, street address, and telephone number of each complainant and, if one person asserts authority to act on behalf of the others, the source of that authority.
- b. The address where the utility service was rendered.
- c. The name and address of the party against whom the complaint is filed.
- d. The nature of the complaint, and the complainant interest therein.
- e. The relief requested.
- f. The measures taken by the complainant to resolve the complaint.

A **formal complaint** may be filed if a complainant is not satisfied with the outcome of the informal complaint. Formal complaints may be made by the petition or complaint in writing, setting forth any act or thing done or omitted to be done by any person, corporation or public utility, including any rule or charge established or fixed by or for any person, corporation or public utility, in violation or claimed to be in violation of any provision of law or of any rule or order or decision of the PSC.

The PSC may order, at any time after the filing of a complaint, an investigation by its staff as to the cause of the complaint. The staff shall file a report of its findings with the PSC and all parties to the complaint case. The investigative report shall not be made public unless released in accordance with sections 386.480, 392.210(2) or 393.140(3), RSMo, or during the course of the hearing involving the complaint.

When the PSC determines that a hearing should be held, the PSC shall fix the time and place of the hearing. The PSC shall serve notice on the affected person, corporation or public utility not fewer than ten days before the time is set for the hearing, unless the PSC finds the public necessity requires that the hearing be held at an earlier date.

ARTICLE I SHAREHOLDERS

SECTION 1. Eligibility to Purchase Common Stock. Any person, firm, association, corporation, or body politic, or subdivision thereof may become a holder of common stock (hereinafter called "Shareholder") of Kingdom Telephone Company (hereinafter called the "Corporation") by:

- (a) Making a written subscription for common stock and application for telecommunications service;
- (b) Agreeing to purchase from the Corporation telecommunications service as hereinafter specified;
- (c) Agreeing to comply with and be bound by the articles of incorporation and bylaws of the Corporation and any rules and regulations adopted by the board of directors (hereinafter called the "Board"); and
- (d) Agreeing to pay the par value for one share of common stock as hereinafter specified on uniform terms and conditions established by the Board;

provided, however, that agreement to pay or payment of the par value of one share of common stock in accordance with the provisions of these bylaws by a landlord on behalf of an applicant for service who is a tenant occupying premises owned by such landlord and served by the Corporation shall constitute compliance by such applicant with subdivision (d) of this Section; and provided further, however, that no person, firm, association, corporation, or body politic, or subdivision thereof shall become a shareholder unless and until the issuance of common stock to him has been approved by the Board or the shareholders. No shareholder may hold more than one share of common stock in the Corporation and no share of common stock shall be transferable, except as provided in the articles of incorporation and bylaws.

Beginning six months after the date on which these bylaws were adopted, all applications received more than thirty days prior to each meeting of the shareholders which have not been accepted or which have been rejected by the Board shall be submitted by the Secretary to such meeting and, subject to compliance by the shareholders with the requirements hereinabove set forth, any such application may be accepted by vote of the shareholders. The Secretary shall give each such applicant at least ten days' written notice of the date of the shareholders' meeting to which his application will be submitted and such applicant shall be entitled to be present and heard at the meeting.

SECTION 2. Eligibility to Purchase Preferred Stock. Any person, firm, association, corporation, or body politic, or subdivision thereof may become a holder of preferred stock of the Corporation. Preferred stock shall be issued by the Corporation upon direction of the Board and shall be sold by the Corporation only at the par value thereof.

SECTION 3. Stock Certificates. Stock certificates for common and preferred stock shall be in such form and shall contain such provisions as shall be determined by the Board. Such certificates shall be signed by the President and by the Secretary and the corporate seal shall be affixed thereto. No certificate shall be issued for less than the par value thereof, nor until such share has been fully paid for. In case a certificate is lost, destroyed or mutilated, a new certificate may be issued therefor upon such uniform terms and indemnity to the Corporation as the Board may prescribe.

SECTION 4. Joint Ownership. Any two natural persons may apply for a share of common stock to be owned jointly, subject to their compliance with the requirements set forth in these bylaws and any rules or policies established by the Board. The term "Shareholder" as used in these bylaws shall be deemed to include any two natural persons holding jointly a share of common stock, and any provisions relating to the rights and liabilities of shareholders of common stock shall apply equally with respect to those jointly owning a share of common stock. Without limiting the generality of the foregoing, the effect of hereinafter-specified actions by or in respect to the joint owners of a share of common stock shall be as follows:

- (a) The presence of either or both at a meeting shall be regarded as the presence of the shareholder and shall constitute a joint waiver of notice of the meeting;
- (b) The vote of either separately or both jointly shall constitute one joint vote;
- (c) A waiver of notice signed by either or both shall constitute a joint waiver;
- (d) Notice to either shall constitute notice to both;
- (e) Either but not both may be elected or appointed as an officer or director, provided that both meet the qualifications for such office.

SECTION 5. Conversion and Termination of Ownership. Joint ownership shall be converted or terminated as follows:

- (a) Ownership of a share of common stock may be converted to joint ownership upon the written request of the owner thereof and the agreement by such owner and his or her co-applicant to comply with the articles of incorporation, bylaws, and any rules and regulations adopted by the Board. The outstanding stock certificate shall be surrendered, and shall be re-issued by the Corporation in such manner as shall indicate the changed ownership status. Re-submittal of the Corporation's form of Application for Membership executed by both parties as Joint Members shall constitute compliance

with this section. Such conversion shall be made and recorded on the books of the Corporation.

- (b) Upon the death of either person who is a party to the joint ownership of common stock, such ownership shall be held solely by the survivor. The outstanding stock certificate shall be surrendered, and shall be reissued in such manner as shall indicate the changed ownership status, provided, however, that the estate of the deceased shall not be released from any debts due the Corporation.
- (c) Divorce of spouses shall terminate Joint Membership provided, however, that neither former spouse shall be released from any debts to the Corporation.
- (d) Withdrawal of either Joint Member by providing written notice shall terminate the joint ownership but shall not release either from any debts to the Corporation.
- (e) Expulsion of either shall terminate the joint ownership but shall not release either from any debts to the Corporation.
- (f) In the event that a Joint Membership is terminated by divorce or written notice to the Corporation, capital credits earned during the Joint Membership shall be divided equally between the Joint Members, unless (i) the Joint Members both instruct the Corporation otherwise in a writing signed by both Joint Members; or (ii) a court of competent jurisdiction instructs the Corporation otherwise.

SECTION 6. Cancellation of Common Stock. The Corporation shall have the right to cancel the share of Common Stock owned by any shareholder who has for a period of three (3) months refused or failed to pay the Corporation for service furnished and to apply the par value thereof on the payment of the amount due. If the amount due is less than the par value of the Common Stock the balance shall be returned to the shareholder upon surrender of the certificate of stock.

SECTION 7. Purchase of Telecommunication Service. Telecommunication service shall include retail telephone and/or broadband services. Each shareholder shall, as soon as telecommunication service is available, take telecommunication service from the Corporation to be used on the premises specified in his application for service, and shall pay therefore monthly at rates which shall from time to time be fixed by the Board; provided however, that the Board may limit the amount of telecommunication service which the Corporation shall be required to furnish to any one patron. It is expressly understood that amounts paid for telecommunication service in excess of the cost of service and an amount sufficient to pay dividends, whether or

not declared, on the outstanding shares of preferred stock are furnished as capital and each patron shall be credited with the capital so furnished as provided in these bylaws. Each patron shall pay the Corporation such minimum per month for telecommunication service as shall be fixed by the Board from time to time. Each patron shall also pay all amounts owed by him to the Corporation as and when the same shall become due and payable.

SECTION 8. Transfer of Common Stock. Any shareholder who shall desire to transfer a share of Common Stock of the Corporation owned by him, shall first offer the share to the Corporation which shall have the exclusive right to purchase such share at a price equal to the par value thereof within 30 days after such offer. Shares of stock so acquired by the Corporation may be held by it as treasury stock or may be transferred or issued to other persons who comply with the provisions of the articles of incorporation and bylaws of the Corporation with respect to the issuance of common stock. If the Corporation shall not have exercised its option to purchase such share, the shareholder, after the expiration of such time, shall be free to transfer such share but only to a person who has complied with the provisions of the articles of incorporation and bylaws of the Corporation with respect to the issuance of common stock.

ARTICLE II RIGHTS AND LIABILITIES OF SHAREHOLDERS

SECTION 1. Rights on Dissolution. Upon dissolution, after all debts and liabilities of the Corporation shall have been paid, the holders of preferred stock shall be entitled to receive cash in the amount of their preferred stock at par value before any payment in liquidation is made upon the common stock, and shall not thereafter participate in any of the property of the Corporation by virtue of owning preferred stock. After payment of the par value of the common stock outstanding capital credits shall be retired without priority on a pro rata basis. The remaining property and assets of the Corporation shall be distributed among the shareholders as provided by law.

SECTION 2. Non-liability for Debts of the Corporation. The private property of the common and preferred shareholders shall be exempt from execution or other liability for the debts of the Corporation and no such shareholder shall be liable or responsible for any debts or liabilities of the Corporation.

ARTICLE III MEETING OF SHAREHOLDERS

SECTION 1. Annual Meeting. The annual meeting of the shareholders shall be held on any Saturday in March of each year for the purpose of electing directors, passing upon reports for the previous fiscal year and transacting such

other business as may come before the meeting. It shall be the responsibility of the board to make adequate plans and preparations for the annual meeting. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Corporation.

SECTION 2. Special Meeting. Special meetings of the shareholders may be called by resolution of the Board, by the president, or by twenty per centum of all the shareholders, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the shareholders may be held at any place within the area served by the Corporation as the board of directors may by resolution designate.

SECTION 3. Notice of Shareholders' Meetings. Written notice stating the place, day, and hour of the meeting and, in case of a special meeting or an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes for which the meeting is called, shall be delivered not less than ten or more than thirty days before the date of the meeting, either personally, by mail, or electronic transmission, by or at the direction of the Secretary, or upon default in duty by the Secretary, by the persons calling the meeting, to each shareholder. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the shareholder at his address as it appears on the records of the Corporation, with postage thereon prepaid. An electronically transmitted notice of a shareholders' meeting is deemed delivered when electronically sent to a shareholder at the shareholder's electronic mail address shown in the Corporation's records. The failure of any shareholder to receive notice of an annual or special meeting of the shareholders shall not invalidate any action which may be taken by the shareholders at any such meeting.

If the Board authorizes remote or electronic meeting attendance, then the notice of the shareholders' meeting must include a description of the means of remote or electronic communication to be used.

In addition to the written or printed notice provided for herein, the Corporation shall publish notice in a daily or weekly newspaper published in the city or county where the registered office of the Corporation is located, the first insertion to be not less than twenty days prior to the date of the meeting. If such notice be published in a weekly newspaper, such notice shall be published at least twice, and if such notice be published in a daily newspaper, such notice shall be published at least nine times.

SECTION 4. Quorum. Five per cent of the outstanding shares of Common Stock, represented by confirmed electronic vote shall constitute a quorum at a meeting of shareholders. Once a quorum is established, it shall be deemed to continue throughout the meeting. If less than a quorum

is represented at any attempted shareholders' meeting, no business shall be conducted, and the presiding officer shall adjourn the meeting. The Board of Directors shall determine the date, time, and location of the adjourned meeting to be held within ninety (90) days of adjournment. Notice of a meeting adjourned pursuant to this Section 4 shall be in the same manner as set forth in Section 3 of this Article.

SECTION 5. Voting. Except for the election of directors, each shareholder shall be entitled to only one vote upon each matter submitted to a vote at a meeting of the shareholders. All questions shall be decided by a vote of a majority of the shareholders voting except as otherwise provided by law, the articles of incorporation or by these bylaws. In all elections for directors each shareholder shall have the right to cast as many votes in the aggregate as shall equal the number of voting shares so held by him or her in said Corporation, multiplied by the number of directors to be elected at such election, and each shareholder may cast the whole number of votes for one candidate or distribute them among two or more candidates and such directors shall not be elected in any other manner.

All voting shall be by confirmed electronic votes for director elections, bylaw amendments submitted to the membership, and director removal in accordance with the procedures provided by the Board of Directors. In the case of a tie vote, the tie shall be broken by the President flipping a coin.

SECTION 6. Proxies. No shareholder may vote by proxy at any time concerning any matter.

SECTION 7. Meeting Business.

1. At any special meeting of the shareholders only such business shall be conducted as shall have been set forth in the notice of special meeting.
2. At any annual meeting of shareholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of the meeting; (b) a proper subject matter of shareholder action under these bylaws, and (c) approved by the Board for inclusion in the notice of meeting.

For an item of business proposed to be transacted by a shareholder at an annual meeting, the shareholder must deliver a written request therefore to the Secretary of the Company either by personal delivery or by United States mail not later than seventy five (75) calendar days prior to the date such annual meeting is to be held. Such written request shall include: (a) the name and address of the proposing shareholder; and (b) a brief description of the business desired to be brought before the annual meeting and the material interest of the proposing shareholder in such proposal. A ruling of the Board that the business proposed

to be brought before a meeting is or is not proper subject matter will be final and binding.

SECTION 8. Order of Business. The order of business at the annual meeting of the shareholders and, so far as possible, at all other meetings of the shareholders, shall be essentially as follows, except as otherwise determined by the presiding officer of such meeting:

1. Report on the existence of a quorum.
2. Reading the notice of the meeting and proof of the due publication and delivery thereof, or the waiver or waivers of notice of the meeting, as the case may be.
3. Reading of unapproved minutes of previous meetings of the shareholders and the taking of necessary action thereon.
4. Presentation and consideration of reports of officers, directors, and committees.
5. Election of directors.
6. Unfinished business.
7. New business. With regard to new business, any matter which constitutes "new business" and which requires a vote of the members must be included in the notice of meeting in accordance with Article III, Section 7.
8. Adjournment.

ARTICLE IV DIRECTORS

SECTION 1. General Powers. The business and affairs of the Corporation shall be managed by a board of nine directors which shall exercise all of the powers of the Corporation except such as are by law, the articles of incorporation and these bylaws conferred upon or reserved to the shareholders.

SECTION 2. Qualifications. No person shall be eligible to become or remain a director of the Corporation who:

- (a) Is not a shareholder of common stock of the Corporation and who is not presently residing in the area served or to be served by the Corporation, or
- (b) Is in any way employed by or financially interested in a competing enterprise or a business engaged in selling telecommunication service or supplies, or constructing or maintaining telecommunication facilities, other than a business operating on a cooperative non-profit basis for the purpose of furthering rural telecommunication service.
- (c) Not have had their company service disconnected for non-payment of a debt owed to the Cooperative

during such director's term of office and within thirty-six months prior to becoming a director;

- (d) Not have been convicted of, pled guilty to, or entered a plea of no contest to a felony crime; and
- (e) Not be an employee of the Cooperative or any subsidiary thereof or have been employed by the Cooperative or any subsidiary thereof during a period of sixty months prior to becoming a director. In addition, former employee(s) terminated for cause are not eligible.

Upon establishment of the fact that a director is holding office in violation of any of the foregoing provisions, the Board shall remove such director from office.

Nothing contained in this Section shall affect in any manner whatsoever the validity of any action taken at any meeting of the Board.

SECTION 3. Election and Tenure of Office. To assure the geographic representation on the nine-member board of directors, the Board shall consist of one director from each of the Corporation's seven exchanges (Auxvasse, Big Spring, Hatton, Mokane, Rhineland, Tebbetts and Williamsburg); one at large director from among the Corporation's three northern exchanges (Auxvasse, Hatton and Williamsburg); and one at large director from the Corporation's four southern exchanges (Big Spring, Mokane, Rhineland and Tebbetts). Notwithstanding any provision of the preceding sentence to the contrary, the directors serving on the Board immediately before the 1998 annual meeting, shall continue to serve on the Board until their successors are elected and qualified.

At each annual meeting, the shareholders entitled to vote shall elect, by ballot, three directors to serve a term of three years and until their successors shall have been elected and qualified, in the following manner:

- (a) At the 1998 annual meeting, and each third succeeding annual meeting thereafter, shareholders shall elect one director from the Hatton exchange, one director from the Rhineland exchange and one director at large from the Corporation's three northern exchanges.
- (b) At the 1999 annual meeting, and each third succeeding annual meeting thereafter, shareholders shall elect one director from the Auxvasse exchange, one director from the Big Spring exchange and one director from the Tebbetts exchange.
- (c) At the 2000 annual meeting, and each third succeeding annual meeting thereafter, shareholders shall elect one director from the Mokane exchange, one director from the Williamsburg exchange and one director at large from the Corporation's four southern exchanges.

SECTION 4. Nominations. It shall be the duty of the Board to appoint, not less than sixty (60) nor more than one hundred twenty (120) days before the date of the meeting of the shareholders at which directors are to be elected, a committee on nominations consisting of not less than five nor more than eleven shareholders who shall be selected from different sections of the area served or to be served so as to insure equitable representation. No member of the Board may serve on such committee. The committee, keeping in mind the principle of geographical representation, shall prepare and post at the principal office of the Corporation at least fifty (50) days before the meeting a list of nominations for directors which list may include a greater number of nominees than are to be elected. Any fifteen or more shareholders acting together may make other nominations by petition not less than forty (40) days prior to the meeting and the Secretary shall post such nominations at the same place where the list of nominations made by the committee is posted. The Secretary shall deliver with the notice of the meeting or separately, but at least two weeks before the date of the meeting, a statement of the number of directors to be elected and the names and addresses of the candidates, specifying separately the nominations made by the committee and the nominations made by petition, if any. The ballot to be used at the election shall list the names of the candidates nominated by the committee and the names of the candidates nominated by petition, if any. The Secretary will not accept any nominations by petition at any time after the fortieth (40th) day prior to the meeting. The presiding officer of the meeting will not accept any nominations from the floor during the meeting. Any attempt to make nominations from the floor will be ruled out of order.

SECTION 5. Removal of Directors by Shareholders. Any shareholder may bring charges against a director and, by filing with the Secretary such charges in writing together with a petition signed by at least ten per centum of the shareholders, or two hundred shareholders, whichever is the lesser, may request the removal of such director by reason thereof at any special meeting of the shareholders called expressly for the purpose of voting on the removal of such director. Such director shall be informed in writing of the charges at least ten days prior to the special meeting of the shareholders at which the charges are to be considered and shall have the opportunity at the meeting to be heard in person or by counsel and to present evidence in respect of the charges; and the person or persons bringing the charges against him shall have the same opportunity. The question of the removal of such director shall be considered and voted upon at the special meeting of the shareholders and the removal of such director must be approved by the affirmative vote of not less than two-thirds of the shareholders voting thereon. Any vacancy created by such removal may be filled by vote of the shareholders at such special meeting without compliance with the foregoing provisions with respect to nominations.

SECTION 6. Removal of Directors for Cause. Any director may be removed for cause by action of a majority of the entire board of directors if the director, at the time of removal, fails to meet the qualifications stated in the bylaws for election as director.

SECTION 7. Vacancies. Subject to the provisions of these bylaws with respect to the filling of vacancies caused by the removal of directors by the shareholders, a vacancy occurring in the Board shall be filled by the affirmative vote of a majority of the remaining directors for the unexpired portion of the term.

SECTION 8. Compensation. Directors shall not receive any salary for their services as directors, except that by resolution of the Board a fixed fee in an amount set by the Board and actual expenses of attendance, if any, may be allowed for attendance at each meeting of the Board. No directors shall receive compensation for serving the Corporation in any other capacity, nor shall any close relative of a director receive compensation for serving the Corporation unless the payment and amount of compensation shall be specifically authorized by a vote of the shareholders or the service by such director or close relative shall have been certified by the Board as an emergency measure.

ARTICLE V MEETINGS OF DIRECTORS

SECTION 1. Regular Meetings. A regular meeting of the Board shall be held without notice, immediately after, and at the same place as, the annual meeting of the shareholders. A regular meeting of the Board shall also be held monthly at such time and place in Callaway County, Missouri, as the Board may provide by resolution. Such regular monthly meeting may be held without notice other than such resolution fixing the time and place thereof.

SECTION 2. Special Meetings. Special meetings of the Board may be called by the President or by any three directors, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. The president or the directors calling the meeting shall fix the time and place, which shall be in the service area of the Corporation, for the holding of the meeting.

SECTION 3. Notice of Directors' Meetings. Written notice of the time, place, and purpose of any special meeting of the Board shall be delivered to each director not less than five days previous thereto either personally or by mail or electronic transmission, by or at the direction of the secretary, or upon a default in duty by the Secretary, by the President, or the directors calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the director at his address as it appears on the records of the Corporation, with postage thereon prepaid.

SECTION 4. Quorum. A majority of the Board shall constitute a quorum, provided, that if less than such majority of the directors is present at said meeting, a majority of the directors present may adjourn the meeting from time to time; and provided further, that the Secretary shall notify any absent director of the time and place of such adjourned meeting. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board.

SECTION 5. Participation by Conference Telephone or Other Communications Equipment. Regular or special meetings may be conducted through the use of conference telephone or other communications equipment by means of which all persons participating in the meetings can communicate with each other. Such participation will constitute attendance and presence in person at the meeting of the persons so participating.

ARTICLE VI OFFICERS

SECTION 1. Number. The officers of the Corporation shall be a President, Vice President, Secretary, Treasurer, and such other officers as may be determined by the Board from time to time. The offices of Secretary and Treasurer may be held by the same person who need not be a member of the Board or the owner of common stock.

SECTION 2. Election and Term of Office. The officers shall be elected by ballot, annually by the Board at the meeting of the Board held immediately after the annual meeting of the shareholders. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until the first meeting of the Board following the next succeeding annual meeting of the shareholders or until his successor shall have been elected and shall have qualified. Except as otherwise provided in these bylaws, the vacancy in any office shall be filled by the Board for the unexpired portion of the term.

SECTION 3. Removal of Officers and Agents by Directors. Any officer or agent elected or appointed by the Board may be removed by the Board whenever in its judgment the best interests of the Corporation will be served thereby. In addition, any shareholder of the Corporation may bring charges against an officer, and by filing with the Secretary such charges in writing together with a petition signed by ten per centum of the shareholders, or two hundred shareholders, whichever is the lesser, may request the removal of such officer. The officer against whom such charges have been brought shall be informed in writing of the charges at least ten days prior to the board meeting at which the charges are to be considered and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence in respect to the charges and the person or per-

SECTION 5. Vice President. The Vice President shall also perform such other duties as from time to time may be assigned to him by the Board.

SECTION 6. Secretary. The Secretary shall:

- (a) Keep the minutes of the meetings of the shareholders and of the Board in one or more books provided for that purpose;
- (b) See that all notices are duly given in accordance with these bylaws or as required by law;
- (c) Be custodian of the corporate records and of the seal of the Corporation and affix the seal of the Corporation to all certificates of capital stock prior to the issue thereof and to all documents, the execution of which on behalf of the Corporation under its seal is duly authorized in accordance with the provisions of these bylaws;
- (d) Keep a register of the names of and post office addresses of all shareholders;

- (c) In general perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the Board.

SECTION 8. Manager. The Board may appoint a manager who may be, but who shall not be required to be, a shareholder of the Corporation. The manager shall perform such duties and shall exercise such authority as the Board may from time to time vest in him/her.

SECTION 9. Bonds of Officers. The Treasurer and any other officer or agent of the Corporation charged with responsibility for the custody of any of its funds or property shall give bond in such sum and with such surety as the Board shall determine. The Board in its discretion may also require any other officer, agent, or employee of the Corporation to give bond in such amount and with such surety as it shall determine.

ARTICLE VII CAPITAL CREDITS

SECTION 1. Patronage Capital in Connection with Furnishing Telecommunication Service. In the furnishing of telecommunication service, the Corporation's operations shall be so conducted that all patrons (the term "patron" shall include shareholders and other persons purchasing telecommunication service, other than exchange access or billing and collection services,) will through their patronage furnish capital for the Corporation. The Corporation is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of telecommunication service in excess of operating costs and expenses properly chargeable against the furnishing of telecommunication service and an amount sufficient to pay dividends whether or not declared, on the outstanding shares of preferred stock. All such amounts at the moment of receipt by the Corporation are received with the understanding that they are furnished by the patrons as capital which the Corporation is obligated to pay by credits to a capital account for each patron. The books and records of the Corporation shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Corporation shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to his account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Corporation corresponding amounts for capital.

All other amounts received by the Corporation for its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amounts so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Corporation, after all outstanding indebtedness of the Corporation shall have been paid and par value of stockholders common

and preferred shares returned, together with any dividends declared thereon and unpaid, outstanding capital credits shall be retired without priority on a pro rata basis. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Corporation will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. Any such retirement of capital shall be made as determined by the Board of Directors on a non-discriminatory basis.

Capital credited to the accounts of each patron shall be assignable only on the books of the Corporation, pursuant to written instruction from the assignor and only to successors in interest of successors in occupancy in all or a part of such patrons' premises served by the Corporation unless the Board, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any patron, if the legal representatives of his estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these bylaws, to retire capital credited to any such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representative of such patron's estate shall agree upon, provided, however, that the financial condition of the Corporation will not be impaired thereby.

The patrons of the Corporation, by dealing with the Corporation, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Corporation and each patron, and both the Corporation and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article shall be called to the attention of each patron of the Corporation by posting in a conspicuous place in the Corporation's office.

If the Board of Directors elects to retire all or any portion of the capital then credited to patrons' accounts, or in the event of the dissolution or liquidation of the Corporation, then the amount so retired for each patron shall be distributed as follows:

1. If no portion of the Corporation's account receivable from a patron is sixty (60) days or more past due, then the amount to be retired from the patron's capital account shall be paid to the patron; however.
2. If any portion of the Corporation's account receivable from a patron is sixty (60) days or more past due, then so much of the amount to be retired from that patron's capital account as may be necessary

to eliminate the Corporation's account receivable which is sixty (60) days or more past due shall be paid to the Corporation and the balance of the amount to be retired from that patron's capital account, if any, shall be paid to the patron.

SECTION 2. Unclaimed Monies. Notwithstanding any provisions herein contained to the contrary, any patron or former patron or other consumer who fails to claim any capital credits, patronage refunds, or credit account balances within two (2) years after payment thereof has been made available to such person, shall have made an irrevocable assignment and gift to the Corporation of such unclaimed monies. Upon expiration of at least two (2) years after availability of such monies, the Corporation shall give at least sixty (60) days notification by publishing at least two (2) notices within a thirty (30) day period in a newspaper of general circulation in the county in which the patron last received service from the Corporation. Such notice shall contain the owner's name, and type of owner's interest and that if not duly claimed within sixty (60) days of said notices, the same shall be deemed assigned and donated to the Corporation. If no provable claim shall have been filed within sixty (60) days after the publication of such notices, the Corporation shall, after offsetting any outstanding amounts due and owing the Corporation from said patron, former patron or customer, thereafter treat the net unclaimed amount as donated capital of the Corporation on the 60th day after the published notice. Upon first treating the unclaimed monies of any patron, former patron, or customer as donated capital, any future unclaimed monies of that patron shall be treated as donated capital without notice.

ARTICLE VIII DISPOSITION OF PROPERTY

The Corporation may not sell, mortgage, lease, or otherwise dispose of or encumber all or any substantial portion of its property unless such sale, mortgage, lease, or other disposition or encumbrance is authorized at a meeting of the shareholders thereof by the affirmative vote of not less than three-fourths of all the shareholders of the Corporation and unless the notice of such proposed sale, mortgage, lease, or other disposition or encumbrance shall have been contained in the notice of the meeting; provided however, that notwithstanding anything herein contained, the Board, without authorization by the shareholders thereof, shall have full power and authority to authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon, or the pledging or encumbering of, any or all of the property, assets, rights, privileges, licenses, franchises, and permits of the Corporation, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board shall determine, to secure any indebtedness of the Corporation to United States of America or any instru-

Bylaws Of Kingdom Telephone Company

mentality or agency thereof, or to any other bank or financial institution or organization.

ARTICLE IX SEAL

The corporate seal of the Corporation shall be in the form of a circle and shall have inscribed thereon the name of the Corporation and the words "Corporation Seal, Missouri".

ARTICLE X FINANCIAL TRANSACTIONS

SECTION 1. Contracts. Except as otherwise provided in these bylaws, the Board may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 2. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, and all notes, bonds, or other evidences of indebtedness issued in the name of the Corporation shall be signed by such officer or officers, agent or agents, employee or employees of the Corporation and in such manner as shall from time to time be determined by a resolution of the Board.

SECTION 3. Deposits. All funds of the Corporation shall be deposited from time to time to the credit of the Corporation in such bank or banks as the Board may select.

SECTION 4. Fiscal Year. The fiscal year of the Corporation shall begin on the first day of January of each year and shall end on the thirty-first day of December of the same year.

ARTICLE XI MISCELLANEOUS

SECTION 1. Membership in Other Organizations. The Company shall not become a member of or purchase stock in any other organization without the affirmative vote of the Board of Directors.

SECTION 2. Waiver of Notice. Any shareholder or director may waive in writing any notice of a meeting required to be given by these bylaws. The attendance of a shareholder or director at any meeting shall constitute a waiver of notice of such meeting by such shareholder or director, except in case a shareholder or director shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

SECTION 3. Rules and Regulations. The Board shall have power to make and adopt such rules and regulations, not inconsistent with law, the articles of incorporation or these bylaws, as it may deem advisable for the management of the business and affairs of the Corporation.

SECTION 4. Accounting System and Reports. The Board shall cause to be established and maintained a complete accounting system which, among other things, and subject to the applicable laws and rules and regulations of any regulatory body, shall conform to such accounting system as may from time to time be designed by the Administrator of the Rural Electrification Administration of the United States of America. The Board shall also after the close of each fiscal year cause to be made a full and complete audit of the accounts, books and financial condition of the Corporation as of the end of such fiscal year. Such audit reports shall be submitted to the shareholders at the next following annual meeting.

ARTICLE XII AMENDMENTS

The shareholders may make, alter, amend, or repeal the bylaws at any regular or special meeting provided the notice of such meeting shall have contained a copy of the proposed adoption, alteration, amendment, or repeal. The Board of Directors may also alter, amend, or repeal the bylaws provided that this authority shall not extend to any provisions which the shareholders shall have altered, or amended, or to the readoption of the substance of any provision which the shareholders shall have repealed.
